

Athens SWCD

2023 Tilapia Fish Sale

Athens SWCD is accepting orders for the 2023 Tilapia fish sale. Tilapia are a safe and cost effective alternative for pond weed control. They eat algae, duckweed, watermeal, milfoil, and other undesirable pond weeds.

General information:

- Recommended stocking rate is 20 lbs to the acre
- Approximately 7" in length at pickup
- Reaching 12" - 14" in length by fall
- Reproduce every 21 days
- Will not withstand cold (winter) temperatures

To order, complete the **order form below**, and return to the Athens SWCD office with payment, no later than **June 2nd**. The fish will be delivered to the **Hocking County Fairgrounds, 150 North Homer Street, Logan Ohio between 10:00 - 11:00 am on June 6th. You must pick up your orders at this time!** You will need to bring containers with some of your own pond water in them and white, unscented 13 gallon trash bags when picking up your fish. If you have any questions, please contact our office at 740-797-9686 ext. 5 or 1-800-582-8890.
