

## ***Creating a Leaf Rubbing...***

- 1) Collect leaves of various shapes and sizes. ...
- 2) Position a leaf with its bottom side facing up.
- 3) Place paper over the leaf. ...
- 4) Rub a crayon on the paper over the entire leaf.

Note: Using the side of the crayon works best ...

- 5) Remove the leaf. ...

Extension:

- To make a piece of art... Make more leaf rubbings. ...
- Overlap the leaf rubbings to create a stunning picture!
